

## Connecting your body, mind and soul

Body wrap treatments produce therapeutic and cosmetic benefits by cleansing the body of toxins and reducing inches. Body wraps are great for anyone who wants to improve tone, tighten the look and texture of their skin, including people with loose skin from weight loss or pregnancy. Also, those who experience joint pains and inflammation will benefit from the therapeutic effects of body wraps.

### Cellulite Wrap

90 mins

\$128.40

This is a highly effective wrap that will stimulate fat metabolism, drain toxins via a lymphatic system, and restructure damaged fibers to restore a softer and smoother appearance to the body.

### Thalasso Seaweed Body Wrap

60 mins

\$96.30

Your skin is replenished with vitamins and minerals while impurities and toxins are eliminated, via stimulation to the lymphatic system.

### Seatonic Firming Body Wrap

60 mins

\$96.30

This cooling wrap utilizes the properties of marine spring water to firm the slackened tissues due to pregnancy, repeated diets, over exposure to the sun and frequent hot baths.

### Thalassotherapy for the Legs and Feet

60 mins

\$96.30

An unique spa experience for tired legs and feet. Begins with a soak in Marine sea water, exfoliates with dead sea salt and wrap up with self-heating sea mud to revitalize and reduce swelling after long flights and extensive periods of standing. To complete this experience, a relaxing leg and foot massage is given.
